| May 29 th | School closed – Memorial Day |
| June 17 th | Year-end Program and Graduation |
| June 21 st | Last day of school |

Parent Conferences – Please note that we have made a change to our parent conference schedule. Instead of doing all of the conferences in one night as originally scheduled, we are spreading the conferences over a three day period. The lower grades (K- 2nd) will be meeting with their teachers on Tuesday, January 31st. The parents of our 3rd and 4th graders will be meeting with their teachers on either February 1st or 2nd . Parents will receive an email from Mrs. Little asking them to sign up for a 15- minute time slot.

Donations of Coats – This year our school was a beneficiary of the New Haven Police Department’s Annual Coat Drive. We want to thank the police officers for the generosity and Interim Chief Anthony Campbell for spearheading the effort.

Enrollment – Three students have left All Nations Christian Academy: John Mills, who moved to Woodbridge; Abigail Liang who moved back to China; and Teshan Stewart who is now enrolled at Nathan Hale School in New Haven. We wish these students great success in their new schools.

We are very happy to welcome Emiliya Saidsharapova who came to us from King Robinson Elementary school on January 3rd. Emiliya’s parents are missionaries serving in a Central Asian country. They are spending a year of study at the Overseas Ministry Study Center in New Haven. Emiliya’s mom (Mrs. Jenya) is a chemistry teacher in her country and is now volunteering as a science teacher for the 3rd and 4th graders. We want to give a warm welcome to Emiliya and her family!

We are also sad to report that Ms. Pam has left All Nations for personal reasons. We are very thankful to have Ms. Angela back with us again!
