**Parent Night 5/16** – Our last parent night for the year will be a special one. We will have a “Silent Auction” of our students’ paintings. Parents place silent bids on their favorite children’s paintings.

**Footware**- Students must wear sneakers or shoes with rubber soles every day (not just on gym days). This is an issue of safety on the playground. If a child does not wear the proper foot ware, without the proper footwear, children will not be allowed to play outside.
